ODOMETER DISCLOSURE

This selling dealer is not required to complete this form if the vehicle is sold through a dealer conducting a wholesale auto auction, and that dealer completes and submits Vehicle Auction Wholesale Report of Sale (REG 398).

Federal and State law requires that you state the mileage upon initial registration or transfer of ownership. Failure to complete or making a false statement may result in fines and/or imprisonment.

Odometer mileage reading disclosure is encouraged for all vehicles, but it is required if the:

- type vehicle is an auto, commercial, or motorcycle,
- transaction is an application for original registration or registered owner transfer, and vehicle is less than 10 years old, and
- in the case of a commercial motor vehicle, the unladen weight is 8,500 lbs, or less (16,000 lbs. gross weight or less.)

For further information, the Handbook of Registration Procedures (formerly Dealer's Handbook) is now available on the Department's website at dmv.ca.gov under Publications.
